## Welcome!

We want to take a moment to welcome you to our new school year! We hope you had a wonderful summer. We are looking forward to having a semester full of fun learning experiences for the children, families, and teachers. The partnership that we develop between families and staff is vital to making your child's transition to school a positive experience. We are here for you and your child! We can't wait to learn more about you. Please email, call, or talk with a teacher at any time. Here's to a great year!

## Getting to know you and your child

*These are things that will help us connect with one another this year.*

- 1) *Please fill out the family questionnaire! If you have not yet done so, please visit this link: <http://goo.gl/nFrmDV>*
- 2) *Please stop and talk with a teacher each day at drop-off and pick-up. We want to hear how you and your child are doing and share things about their day with you.*
- 3) *If you didn't get our first email, let Laura know!*

## Things To Bring:

- 1-inch 3-ring binder labeled on the front and spine
- Spiral notebook
- A page or so for the binder about your family
- Extra clothes that are labeled with your child's name (shoes, socks, jacket, shirt, underwear, pants)
- Closed-toe shoes (we do active things at school and this keeps feet safe)
- Diapers and wipes (if needed)
- Photo of your family (4x6 maximum size) in a frame with glass removed

*We can't wait to get to know you and your child!*

It will contain updates about the classroom, photos of the children's activities, and information about what the children are learning. The first posts will likely highlight our environment and what children learn. We hope you enjoy it! If you have suggestions, let us know.
