Room 4 Winter Break Project: This book is a place where you can check off and draw or paste in photos of places you visit or see in your city or neighborhood during Winter Break. Please bring this book back with you when you return to school in January. We can't wait to see where you visited and how we can use your visits to help us learn more about structures in our community!

I visited or saw:

Place	Check (✓)
Post office	
Grocery store	
Fire station	
Police station	
Library	
School	
Park	
Museum	
Friend's/family's house	
Auto repair shop	
Restaurant	
Gas station	
Hospital	
Veterinarian's office	
Garden/farm	
What else did you see? (Please list them to the right)	

Please draw or include a photo of your favorite building/structure here. You are invited to write about it, too!

You are also invited to draw or paste more photos of places and people you visited or saw during Winter Break. Thank you!

Please add more pages if you need more room. We can't wait to see where you went and who you saw!
