

Art Area

We will bring out the markers again. Add beading materials. Keep collage and easel paint mixing.

LLD, ELD, COG, PD

Science/Discovery

Create a snail habitat in the sensory table. Print images of the inside of a snail. Put straw builders on large table to practice engineering skills/physics.

COG,
MATH, PD,
HLTH

Manipulatives

Children interested in numbers and counting. Put out the rainbow seriation activity. Instead of game pieces, put out natural items.

SSD, COG, MATH, PD

Music/Movement

Make guitars out of boxes during a small group. Continue with piano, ribbons, and a variety of instruments on the shelf.

SSD, LLD, ELD, COG, MATH, PD, HLTH

Room 4 Environment Plans - "Environment as the Third Teacher"

Library/Writing

Change out stamps and pencils. Add office stamps. Add time-related stamps. Add alphabet letter stamps, too. Change out stencils.

LLD, ELD, COG, PD

Dramatic Play

Add a cash register downstairs. Add a globe and passports to the travel area. Make a "security checkpoint" and luggage check area downstairs. Put luggage on wire rack. Put wings on airplane. Have a phone, basket of tickets, and scanner for tickets.

SSD, LLD, ELD, COG, PD

This week's highlighted area... ART SHOW!

Each year we do an art show where we display special artwork that each individual child created. We also highlight a special art medium in our classrooms. Room 4 will be focusing on "Reusable Rubbish" for the art show. The children have been reusing containers and creating things out of them with tape and glue this semester. Their creations are great! We can't wait to see everyone at the art show.

Blocks/Construction

Put the chalkboard in that area. Encourage children to draw pictures of structures like an architect. Get rid of the table top.

SSD, COG, MATH, PD

Outdoors

See our new drawn-out diagram of the outdoor area to see what we have planned!
